Sir,

Sub:- Education- Manur school- Construction of a Urinal- permission to the house owner- request of.

During his inspection of the school the District Educational Officer, South Kanara, remarked that the Manur fisheries school should be provided with a urinal. The building owner, who was consulted by the Deputy Director (Marine), has agreed to provide a permanent urinal with two compartments on payment of enhanced rent as assessed by the Public Works Department. The present rent of the building, which was sanctioned by me, is Rs.12 p.m, the limit of my powers. I therefore request that permission may be accorded to the owner of the building in which the Manur Fisheries school is located to onnstruct a permanent urinal with two compartment on an assurance of rent being paid as assessed by the Public Works Department.
